CAUSE

On September 19, 2018, the defendant called the probation officer to admit that he had been around 2 female children without permission while taking his girlfriend out to jet-ski. The probation officer contacted the defendant's now ex-girlfriend, who confirmed that the defendant was around the 2 children, but did not interact with them, and was never alone with them. Both the defendant and his ex-girlfriend describe the situation as unintentional, but both also admit that the defendant did not remove himself from the situation.

The addition of truth verification will assist the offender by adding an additional layer of accountability. The addition of electronic monitoring will provide the defendant with structure, while allowing him to maintain his employment.

This course of action has been discussed with the defendant, and he is in agreement, as evidenced by his signature on the attached waiver.

Jason Watson Docket No. 1:10CR00283-001

**Waiver of Hearing to Modify Conditions
Of Probation/Supervised Release or Extend Term of Supervision**

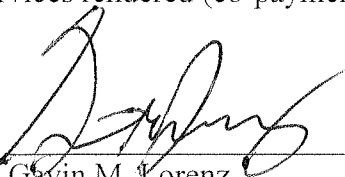

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing. I further understand that all previously imposed conditions will remain in effect.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

The defendant shall submit to polygraph, computerized voice stress analyzer or other such testing, not to exceed twice in a calendar year, and an additional two re-tests per year, as needed. That testing may include examinations using a polygraph, computerized voice stress analyzer, or other similar device to obtain information necessary for supervision, case monitoring, and treatment. The defendant shall answer the questions posed during the examination, subject to the defendant's right to challenge in a court of law the use of such statements as violations of the defendant's Fifth Amendment rights. In this regard, the defendant shall be deemed not to have waived the defendant's Fifth Amendment rights by making any such statements. The results of any polygraph pre-tests and polygraph examinations may be disclosed to the US Probation office, the treatment agency if engaged in treatment, and the Court, but shall not be further disclosed without a court order. The defendant is required to contribute to the cost of services rendered.

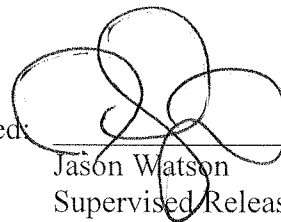

The defendant shall comply with the conditions of the Location Monitoring Program (curfew component) for a period of three (3) months. This curfew shall be from 7:00 p.m. to 5:45 a.m. on work days, lockdown on non-work days, or as adjusted by the U.S. Probation Office to be less restrictive for employment, counseling, emergencies, or other acceptable reasons. The defendant shall wear (an) electronic monitoring device(s) and shall follow the monitoring procedures as outlined in Probation Form 61.
